AUTHORITY MAGAZINE, WONDER

Yitzi Weiner at Authority Magazine**, Stories that are beautiful to the mind, heart, and eyes.**

Authority Magazine is a very proud advocate and evangelist for the fantastic work that Arianna Huffington and Thrive Global are doing.

Authority Magazine, a Medium publication, is devoted to sharing interesting "interview series" featuring people who are authorities in Business, Film, Sports and Tech. We use interviews to draw out stories that are both empowering and actionable.

We believe that good stories should feel beautiful to the mind, heart, and eyes.
